SIR,

Re - Payment of fuel supply bill for Rs 910/- to Mr R Venkataswamy, contractor

---

In enclosing herewith a copy of the Council Resolution dated 23-8-1946, re payment of the above sum of Rs 910/- to Mr R Venkataswamy, contractor, for having supplied casurina fuel to the Municipal fuel depot, etc, I have the honor to state that on account of scarcity of fuel in the Bangalore City, during July 1944, the Municipal Council resolved that some fuel depots should be opened urgently by the Municipality to supplement the arrangements made by Government to afford relief to the public Before making proper arrangements to run the Municipal fuel depots, casurina trees in all Municipal topes near the Bangalore City were got cut and removed through military lorries and sold to the public

The co-operation of the Municipal Councillors and non-official gentlemen was also sought for to alleviate the situation Mr R Venkataswamy supplied fuel at the instance of Mr M V Veerappa Municipal Councillor and the then Municipal Commissioner

For want of adequate staff to cope with the heavy rush of work, separate accounts regarding the supply and issue of fuel in respect of the above mentioned two items could not be maintained Mr R Venkataswamy, has co-operated with the Municipality in over-coming the trouble

As such the Municipal Council at their meeting held on 23-8-1946 have resolved that the bill of Mr R Venkataswamy for Rs 910/-(at Rs 26/- per ton for 35 tons of casurina fuel supplied by him) may be paid without observing audit formalities

Under these circumstances, I request that sanction of Government may kindly be obtained to the said resolution of the Municipal Council, a copy of which is herewith forwarded

Forwarded with compliments
